FROM:

Chief, New Building Project Office, OL

SUBJECT: Accomplishment Update

REFERENCE: Multi-Adse Memo fm C/I&MSS/OL, dtd 24 Feb 84,

1. This memorandum is in response to your request for our input on a consolidated Office of Logistics paper on the past year's accomplishments. As a result of a followup phone call from your staff stating that only an update to the DCI's Annual Report to Congress was required, we will limit ourselves to the following:

- Block planning of space in the New Building has begun.
- The National Capital Planning Commission has granted final approval to the first of the three New Building construction bid packages.
- Construction Bid Package No. 1 has been released to potential bidders.
- Bids have been received for the pre-purchase of long lead items (pumps and chillers) for the Powerhouse renovation.

2. If we can be of further assistance to you on this matter, please call [redacted] on extension [redacted]
